

Statement of Principle

The Pregnancy Resource Center (TPRC) is an outreach ministry of Jesus Christ through His church. Therefore, TPRC, embodied in its volunteers, is committed to presenting the Gospel of our Lord to families facing an unplanned pregnancy both in word and in deed. Commensurate with these purposes, those who labor as board members, directors, staff, and volunteers are expected to know Jesus Christ as their Lord and Savior and be actively involved in a local Bible-believing church.

TPRC is committed to providing clients with accurate and complete information about prenatal development and abortion.

TPRC is committed to integrity in dealing with clients, earning their trust and providing promised information and services. We denounce any form of deception in our advertising or individual conversations with clients.

TPRC is committed to assisting women to carry to term by providing emotional support and practical assistance. Through the provision of God's people and the community at large, women may face the future with hope, and plan constructively for themselves and their babies.

TPRC offers assistance free of charge at all times.

TPRC is committed to creating awareness within the local community of the needs of pregnant women, and of the fact that abortion only compounds human need rather than resolving it.

TPRC does not recommend, provide, or refer women for contraceptives. (Married women seeking contraceptive information should be urged to seek counsel, along with their husbands, from their pastor or physician.)

TPRC recognizes the validity of adoption as one alternative to abortion, but is not biased toward adoption when compared to other life-saving alternatives. We are independent of adoption agencies, relating to them in the same manner as to other helpful referral sources. We receive no payment of any kind from these agencies, do not enter into contractual relationships with them, and do not share combined office space. Adoption agencies are not established under the auspices of TPRC. We neither initiate nor facilitate independent adoptions.
